

A watercolor illustration of a castle tower. The tower is light pink with yellow windows and a central arched window. It has a banner at the bottom. The background is a warm orange-yellow with dark green leaves and a black bird silhouette at the top. The text "Advisor of the year" is written in a bold, black, serif font across the top of the tower.

When the Clock Strikes Twelve...

When Alexis is not busy being a graduate student and loving ARD she spends her time doing many other things. Alexis was on the Social Justice committee, and is now serving on the Student Staff Training committee.

Alexis plays intramural volleyball and basketball!

She is a lover of musical theater and you can often catch her singing her favorite isney tunes.

Her love for High School Musical and Zac Efron is truly unmatched.

When she is not at school, you can find her back in her hometown in Michigan surprising her younger sister Sarah, and spending quality time with the rest of her family.

BRAIN BLAST!

ALEXIS IS
ALWAYS FULL
OF

Ideas

Alexis is constantly encouraging everyone around her to think outside the box. She has made Pemberton better than ever with her great ideas. Over the past 2 years Pemberton has raised more money than ever through the annual haunted house. She strives to make sure that everyone feels involved.

A Kind Note...

The first couple of times meeting Alexis had gotten myself very hopeful for my days in college. As a Freshman, I was scared to be in a brand new place having absolutely no friends. Alexis was able to ensure to myself that Pemberton Hall was my friend as well as her.

Confirmed that I had a place to share with many people, Alexis stood out to me. She has the charismatic characteristic. Her way of standing out is that she knows everyone in the hall, she smiles whenever anyone walked past her, and she works her hardest at her own school work while overseeing all the students in Pemberton Hall. Alexis has put many of her marks on everyone she talks to or is around several different times during her time at EIU. She has made a significant and successful path in just this year alone. We will wish her onto success after her graduation!
