RHA Committee Application

RHA Committees are an integral part of how RHA functions throughout the year. Through each of these committees we put on special events and provide opportunities to everyone who lives on campus. Without them and you RHA would not be the great organization that it is.

Please fill out the below application to the best of your ability. We want to make sure that we’re able to place individuals on committees that really mean something to them. Please feel free to utilize the back of this sheet to better understand what each committee does to help you better gauge your interest.
