

Internship for ABC Program

The ABC program requires an internship (FCS 4275) to fulfill the requirements of the program. The internship should be completed the last semester before graduation. This requirement will come up quickly, so have in mind where you would like to do an internship. You must enroll in a minimum of 3 semester hours (120 clock hours) and it must be in addition to your regular work duties. The following steps will help you in the process:

1. Notify Ms. Coonce at least 1 semester prior to enrollment in the FCS 4275.
2. Go to: <http://www.eiu.edu/~famsci/undergradint/undergradint.php> for deadlines and other information on enrolling in the internship.
3. Be sure to read and print the student packet <http://www.eiu.edu/~famsci/undergradint/StudentInternPacket2009.pdf>
4. You must submit forms(found in the internship packet) A,B,C, & D to Dr. Kennedy-Hagan (kjkenedyhagan@eiu.edu) or fax: 217-581-6090 for approval to enroll in the internship. **Be sure to have all paperwork in before the deadline or your internship may not be approved.**
