I have attached my national/local dues check for \$40 dollars, a one year membership, made out to Eastern Illinois University.

I acknowledge that membership checks will only be deposited once at the beginning of every month.

Note: Your journal subscription is included in your dues. Also included is your support for many national and international children's projects that ACEI directs, for example ACEI's consultative status at the United Nations. Please see the ACEI website (<http://www.acei.org>) for more information. You will also receive your professional journal, *Childhood Education*, at your home address.

Visit our webpage for an updated schedule of events, membership list, and officer contact information: <http://www.eiu.edu/~acei>
