3. Diane Hoadley, Dean, LCBAS, requests the following be approved by executive action to be effective Fall 2006.
   a. Modify Prerequisites for ACC 4750 (effective Fall 2006): **ACC 4750, Governmental and Not-for-Profit Accounting.** (3-0-3) F, S. Special nature of accounting for governmental and not-for-profit entities. Topics include fund accounting characteristics, budgets, cost accounting systems, and financial statement analysis.    Rationale: This change takes ACC 4750 course prerequisites back to where they were two years ago. The changes made at that time had the unintended consequences of creating significant scheduling challenges.
