I. Minutes.

The Minutes of September 25, 2001 were approved as written.

II. Items Added to the Agenda.

Dr. Greathouse moved and Dr. Campanis seconded the motion to add the following items to the agenda.

1. 01-05, Proposal to change the admission requirements for the Educational Administration M.S. Ed. program.
2. 01-06, Proposal to change the admission requirements for the Educational Administration Ed.S. program.

III. Electronic Meeting.

The Council discussed using an electronic meeting format on occasions when the only order of business was adding items to the agenda. The Council decided an electronic meeting was acceptable under those circumstances.

IV. Executive Director's Report.

Dean Hitch reported the NCATE team would arrive on Friday, November 2 and that on-campus visits would begin on Monday, November 5. The template for the NCATE visit is close to being finalized. She noted that Monday or Tuesday late afternoon classes would be very likely times for an impromptu visit by the NCATE team.

The NCATE team has asked to meet only with the chair and executive officer of COTE, but the Dean strongly encouraged COTE members to meet with the team during one of the time slots allotted for faculty.

Dean Hitch then answered a number of questions about the upcoming visit. The Dean closed by noting that Eastern was ready for the visit since our program not only meets standards, it exceeds them.

The meeting adjourned at 2:30 p.m.

Luann Karr, Coordinator.
