Health Studies (B.S.)

Health Studies with Teacher Certification Option 6-12 Standard High School Certificate

This curriculum leads to a standard high school certificate that allows the graduate to teach Health Education at the high school level. It also allows an endorsement to teach Health Education at the Middle School level.

The B.S. in Health Studies comprises 1) 40 hours in general education; 2) 31 hours-R OR 25-A in the professional education core (R-SED 2000, EDF 2555, EDP 3331, SED 3330, EDF 4450, SPE 3500, STG 4000, STG4001; OR A-SED 2000, EDF 2555, SED 3000, SED 3100, SED 4000, STG 4001; 3) 45 hours in major courses; and 4) 6 elective hours approved by department. The department also strongly suggests the student select a minor in consultation with advisor.

This major requires that students follow and meet the requirements for Admission, Retention and Graduation from Teacher Certification programs as described in the "Teacher Certification Programs" section of this catalog and as explained at the University Admission to Teacher Education Meeting which all students must attend. Students must gain University Approval to Take Teacher Education Courses no later than the end of their first semester Junior year in order to use this suggested plan. Additional information on Admission, Retention and Graduation for Teacher Certification programs can be found on the College of Education & Professional Studies website at www.eiu.edu/ceps/teached.

All students must pass the Illinois Certification Test of Basic Skills for selection into teacher education and should complete this requirement no later than their sophomore year.

Students must receive a "C" or better in all professional education courses and maintain a minimum cumulative and major GPA of 2.65 in order to continue in the program. Courses requiring a "C" or better are identified in the suggested plan by a "+".

Students have two options for completing the professional education coursework – Regular Secondary Education Program and Alternative Secondary Education Program (ASEP). The required courses under these two options are identified below with the designations of R and A respectively. For more information regarding these two options please consult with your advisor. Information is also available in the Teacher Certification Program section of this catalog.
