Room 2444 Buzzard Hall, 2-3:30 p.m.

Agenda:
Dr. Tim Taylor, Writing Across the Curriculum Proposal
ATTACHMENT A

Certificate in Reading Instruction

Certificate Program Mission:
The Certificate in Reading Instruction is designed for educators who hold a valid teaching certificate, have previously completed coursework in developmental reading methods and want to further develop their professional knowledge and skills in regard to teaching reading to students (i.e., Pre-School to Grade 12). Although this Certificate does not result in the Reading Teacher Endorsement with the State of Illinois, these graduate courses in reading may be applied toward the requirements for the Reading Teacher Endorsement in Illinois, including a graduate level practicum.

Certificate Admission Requirements:
This certificate is available to certified teachers who can provide documentation of prior coursework in reading methods (e.g., ELE 3280 Developmental Reading in the Elementary School – 3 hrs. or ELE 3281 Developmental Reading in Early Childhood – 3 hrs.). To be eligible for admission to the certificate program, applicants must meet all of the requirements for admission to the Graduate School that include verification of a baccalaureate degree from an accredited institution approved by Eastern Illinois University. In addition, documentation of a minimum undergraduate cumulative grade point average of 3.0 within the last 60 hours of undergraduate study (or 3.0 GPA in the first 12 hours of graduate coursework) is required. The applicant must submit an Application for Admission to the Graduate School and an Application for Admission to the Certificate Program through the Department of Early Childhood, Elementary and Middle Level Education.

Certificate Study Plan:
A certificate study plan must be approved by the Graduate Coordinator in the Department of Early Childhood, Elementary and Middle Level Education and be filed with the Graduate School no later than the 10th day of classes during the last semester in which the student is enrolled in courses counting toward the graduate certificate.

Certificate Course/Curriculum Requirements:
The Department of Early Childhood, Elementary and Middle Level Education Certificate in Reading Instruction requires 18 semester hours of study including both required and elective courses. Total Credits: 18

Required Courses (Required Credits - 15):
The fifteen semester hours of required coursework are listed below.

ELE 5260 - Advanced Developmental Reading – 3 hrs.
ELE 5600 - Diagnosis of Reading Problems – 3 hrs.
ELE 5610 - Remediation of Reading Problems – 3 hrs.
ELE 5620 - Remedial Reading Practicum – 3 hrs.
ELE/MLE 5270 - Content Area Literacy Instruction – 3 hrs.

Elective Courses (Elective Credits – 3):
The remaining three elective hours are to be selected from the list of courses provided below.

ELE 4880 - Diagnostic/Prescriptive Reading – 3 hrs.
ENG 4903 - Young Adult Literature – 3 hrs.
ENG 4905 - Studies in Children’s Literature – 3 hrs.
ELE 5400 - Special Issues in Children’s Literature – 3 hrs.
ELE 5990 - Independent Study in Children’s Literature – 3 hrs.

NOTE: In special circumstances other courses may be used as elective credit if approved by the Graduate Coordinator in the Department of Early Childhood, Elementary and Middle Level Education.
Courses Applicable Toward a Specific Concurrent or Future Degree Program:
Upon approval from the graduate coordinator, the fifteen required graduate course credits completed for
the certificate program may be applied to a Master’s Degree in Elementary Education at Eastern Illinois
University to fulfill requirements for the emphasis in reading. All courses applied to the certificate or
degree program must be completed within the six-year time limit. All other regulations established by the
Graduate School pertaining to degree study will be applicable to the courses if used toward a concurrent
or future degree program.

EIU seniors may enroll for courses under the “Reserve Graduate Credit” option; but will be required to
meet the standard admission requirements to be admitted to the certificate program after completion of
the baccalaureate degree. Meeting the requirement to take courses under the reserve graduate credit
option does not guarantee admission to the certificate program or the Master’s Degree in Elementary
Education.

**Elementary Education**

Program Mission: The Department of Early Childhood, Elementary, and Middle Level Education seeks to advance scholarly preparation by providing quality teaching and promoting excellence in research/creative activity in order for graduate students to exemplify best teaching practices for children from birth through age fourteen. The department is dedicated to the preparation of knowledgeable citizens of the 21st century and seeks to empower individuals to meet the challenges faced by professional educators in a rapidly changing society. Candidates for the Master of Science in Education Degree will be prepared to teach in diverse environments recognizing multiple pathways of learning. The Department is committed to enhancing the graduate academic experience in order to create educators who can function effectively in a culturally diverse, technologically advanced, and global environment in order to engage learning at all levels.

Admission Requirements: To be eligible for degree candidacy, applicants must meet all of the requirements for admission to the Graduate School (see “Admission to Graduate Degree and Certificate Programs”). In addition students must:

- Complete and submit the departmental admission application with additional information as outlined:
  1. A copy of transcripts showing the required 3.0 GPA within the last 60 hours of undergraduate study (or 3.0 GPA in the first 12 hours of graduate coursework).
  2. A copy of the applicant’s current teaching certificate (including type, issuing state, and year granted.) If the individual does not have certification at the appropriate level, he/she will need to complete the course work necessary for certification, which may entail undergraduate and graduate credits.
  3. Two letters of recommendation provided by professional sources, such as an immediate supervisor and/or co-worker, are required. The letters of recommendation should address such topics as the candidate’s:
     - depth of content knowledge including effective technology skills and ethical behaviors/dispositions;
     - critical thinking and problem solving;
     - oral and written communication skills;
     - advanced scholarship (research and/or creative activity);
     - ability to work with diverse clientele; and
     - ability to collaborate and create positive relationships within the school, community and profession.
  4. A professional resume that includes information regarding undergraduate education, work experience, recent professional development activities (i.e., workshops attended and/or workshops presented), involvement with professional education organizations, and volunteer work within the community (involving children/youth) must be developed and submitted.
  5. A formal (typed) letter of application expressing the applicant’s goals for the master’s program is required. Within the letter of application, please describe a professional situation that required you (the applicant) to employ critical thinking and/or problem solving to select an appropriate course of action in order to resolve an issue.
  6. Complete and submit the "Advanced Candidate Self-Assessment Form" that is available on the Department website (http://www.eiu.edu/~elegrad).

Study Plan Approval: The study plan shall be approved by the department and filed with the departmental graduate coordinator prior to the completion of 12 semester hours of graduate credit which count toward the graduate degree.

Degree Requirements

Degree requirements include those outlined for the master of science in education degree by the Graduate School (see “Requirements for the Master of Science in Education Degree”). Additional requirements include a minimum of 15 semester hours in an emphasis area from Early Childhood, Elementary Education, Middle Level Education, or Reading courses, and a thesis or applied/action research requirement. Evening classes, off-campus classes, summer sessions and independent study arrangements are offered, permitting students to pursue graduate degrees while meeting other personal and professional commitments.

The course of study consists of 35-36 semester hours of course credit with a thesis or applied/action research requirement. The program is designed to encompass three areas: basic courses in education (these courses provide a background in
fundamental educational theory), specific requirements in an area of emphasis and a research component.

The program is devoted to the field of elementary education with opportunities for study in the emphasis areas such as early childhood, elementary curriculum, middle level, and reading. Students may choose courses according to individual needs, professional interests, and teaching level. Courses in reading may be selected which will lead to the Illinois reading teacher endorsement and meet the standards of the International Reading Association.
