

School of Family and Consumer Sciences
GRADUATE ASSISTANTSHIP
Application Directions

The following documents must be provided to insure eligibility for consideration for a graduate assistantship appointment in the School of Family and Consumer Sciences at Eastern Illinois University. All materials must be received no later than **February 15th** (or the next business day if that date falls on a weekend) for selection of appointments for the following academic year. Send materials to:

Dr. Lisa Taylor, Graduate Coordinator
School of Family and Consumer Sciences
Eastern Illinois University
600 Lincoln Avenue
Charleston, IL 61920.

Complete on-line graduate assistantship application: The GA application must be submitted on-line prior to the application deadline.

Transcripts: Official transcripts (specifying all course work completed to date) from each community college, senior college, university, graduate and/or professional school which you have attended must be on file in the Graduate School Office with your application as a degree seeking candidate. For the graduate assistantship application, unofficial copies of transcripts will suffice and should be attached to your assistantship application. (NOTE: If you have not yet completed a four-year baccalaureate degree program at the time of your application, an official transcript showing the receipt of such a degree must be on file in the Graduate School Office prior to the start of your first term at EIU. Transcripts of work completed at EIU will be obtained by the Graduate School Office for your application to graduate school, **however an unofficial copy of the EIU transcript should be provided by the applicant for the assistantship application.**)

A statement of personal goals: Complete a statement of personal goals on separate paper (typed) and attach to your application. This statement should explain your professional, career goals and the relationship of those to your expectations for your graduate program and a graduate assistantship. This statement should specifically **indicate the type(s) of assistantship(s)** you are seeking and your related qualifications. **This goal statement should bear an original signature.**

Vita or Resume: Include a current work and educational history in vita or resume format that includes your professional experiences. Include paid, volunteer and community or organization service experiences.

Recommendations: At least two completed recommendation forms are required for the graduate assistantship application. Two copies of the form that should be used by those writing recommendations for you are attached. Make additional copies as needed.
