## OPERATION BEAUTIFUL!

**"Chin up, shoulders out and walk tall, because baby YOU'RE WORTH IT."**

University Board along with Alpha Phi Alpha Fraternity, Inc. and Tri Delta Sorority, Inc. are on a mission to end *Negative Talk* and inspire *Positive Body Image* with **OPERATION BEAUTIFUL** which begins **Monday, March 7** and continues throughout the month. The nationally-known program featured on the *Oprah Winfrey Network* and *The Today Show* was started by Caitlyn Boyl from Charlotte, North Carolina. According to Operation Beautiful's website, the purpose of the program is to "post anonymous notes in public places for women to find. The point is that we are all beautiful."

Anonymous post-it notes will be placed throughout the residence halls on Eastern's campus with heartening phrases: "There is nothing more beautiful than your smile", "You are smarter than you think; stronger than you seem," and "All you might need is a mirror to feel BEAUTIFUL." Every week post-it notes will be changed with new and inspirational sayings reminding everyone that *Inner Beauty* is what matters the most.

We might fret about an unbearable pimple, cringe about excess weight we have gained, pout about blemishes and bothered about the way we don't look and dream about the way we should look, BUT we ALL must realize that we are all **BEAUTIFUL**. So make sure ~UB~ POSITIVE, because **OPERATION BEAUTIFUL is now in FULL EFFECT.**
