   e. The President has ten working days to act on recommendations contained in the Council minutes. If the President is away during the ten day period, the period will be increased by the number of days he/she is away.

4. Procedures of the Council on Academic Affairs
   a. Meetings
      (1). Meetings of the Council shall be called by the Chairperson, or in his/her absence by the Vice Chairperson, or in their absence by the Executive Officer, and in his/her absence by the Chair's designee.
      (2). A quorum shall consist of eight voting members.
      (3). All meetings shall adhere to the provisions of the Illinois Open Meetings Act.
   b. Agenda
      (1). The agenda of each meeting shall be available to at least 48 hours in advance of the meeting. It is recommended that this be published as a supplement to the minutes of the previous meeting or with the notice of the meeting.
      (2). Responsibility for preparation of the agenda rests with the Executive Officer and/or the Chairperson of the Council.
      (3). By consensus, changes may be made in the agenda before or during the meeting and any member may request the addition of an item to the agenda.
      (4). Although proposals will be added to the agenda in the order in which they are received, circumstances may make it desirable to consider items in other than their assigned order.
   c. Voting
      (1). Except in matters which can be settled by common consent, the Council shall record all its votes either by electronic ballot or by roll call ballot.
      (2). The only votes that may be cast are yes, no, and abstain.
      (3). If electronic ballot using an audience response system is used, each Council member shall be assigned a unique keypad (clicker) at the beginning of each meeting. When a vote is taken, each member will record his or her vote on the keypad. Voting will remain open until all members present have completed his or her vote. Immediately after voting
is closed, the results shall be displayed showing each member’s vote. If any member disputes the accuracy of his/her vote, the electronic vote shall be considered invalid and the entire vote shall be retaken using roll call ballot as described in VII, A. 4. c. (4).

(4). If roll call ballot is used, the roll call shall be alphabetical. With each subsequent vote, the first voter shall be the person who voted second on the previous roll call.

(5). Any member of the Council may request publication of the explanation of his/her vote, but not the explanation of his/her abstention from voting.

(6). All actions taken by the Council require a majority vote. A majority vote means more than half of the votes cast based on attendance with a minimum of five (5) majority votes (excluding abstentions).

d. Handling of Proposals

(1). All proposals to the committee should be submitted in electronic form to the Executive Officer.

(2). Proposals may originate with departments, curriculum committees, individual faculty members, administrative officers, members of the Council, or students. The Council reserves the right to refer proposals to what it considers the proper department, committee, or executive office of the university for recommendation prior to giving the proposal extended consideration.

(3). Proposals submitted to the Council regarding changes in undergraduate general education and university graduation requirements must have university-wide public discussion by faculty and administration before consideration by the Council. This requires, at the minimum, discussion of such proposals before the college curriculum committees, faculty senate, student senate, and other appropriate administrative bodies before such proposals, along with the results of the discussion, are considered by the Council.

(4). Each item received for the agenda shall be identified with a permanent number designating both the calendar year and the order in which the items are received, beginning with the number one for the first item in January. (For example, the first item added to the agenda in January 2003 was identified as 03-1).

(5). Proposals for new courses will be considered only if submitted in the format prescribed by CAA.

(6). In order to be placed on the agenda, a proposal must be moved and seconded by a member of the Council. The agenda item is then published in the minutes of the Council and is voted upon in a subsequent meeting. Alternatively, in the event a meeting is cancelled, the Chairperson of the Council may place a proposal on the agenda for a future meeting. The agenda item is then to be published with the notice of the meeting cancellation and can be voted on at a subsequent meeting.

(7). The Chairperson shall invite the proposer(s) to be present for discussion of the proposal.

(8). Where a proposal has been referred to a given department or curriculum committee and no action is reported after a reasonable time, the person with which the proposal originated may request the Council to consider the proposal.

(9). If a proposal originated in the Council, the Council may assume direct jurisdiction where unreasonable delay occurs.

(10). When a department has a proposal which is part of a program, or a service to a program other than its own, the proposal must bear the approval signature of the appropriate dean(s), as well as the signatures of the appropriate department chairpersons and the departments’ curriculum committee chairpersons.

(11). If the Council requires major changes in a proposal from a college or department, the proposal is returned to the proposing unit for revision.

If the Council requires only minor changes, and those changes are acceptable to the department concerned, the proposal need not be returned to its originator for revision.
(12). Final action may be taken on a proposal ruled non-controversial by the Executive Officer and the Chairperson after the item has appeared on the agenda without the motion having been published in the minutes or published with the announcement of a meeting cancellation. In some exceptional cases, final action on a proposal which has been declared non-controversial by the Executive Officer and the Chairperson may be taken before it has appeared on the agenda of the Council, if the Council by a two-thirds vote of those present, suspends this rule to take immediate action.

Final action may not be taken on a proposal that is ruled controversial by either the Executive Officer or the Chairperson unless the proposal (1) has been published with the meeting agenda and (2) has previously been published in the minutes as moved and seconded or published with the notice of a meeting cancellation. This rule may not be suspended.

e. Executive Decisions

(1). The Executive Officer may make decisions upon request from either a Dean or a Department Chairperson concerning the following:

(a). Minor changes in course titles and course descriptions, where course content remains generally the same.

(b.) Minor changes to programs:
   • Additions or deletions of electives in majors, minors, and concentrations
   • Changes in the title of existing concentration titles

(c). Changes in course numbers. However, changes in course numbers that result in a change in a course's level, e.g., from 1000 to 2000, are not permitted by executive action.

(d). Changes in course prerequisites.

(e). Catalog changes which merely clarify the Council's intent.

(f). Deletion of courses.

(g). Changes in class, lab, and/or credit hours.

(2). Changes which are approved by the Executive Officer will be reported to the Council and are subject to discussion and revocation by the Council. The changes will be published in the minutes.

(3). No executive action is permitted concerning General Education Program Requirements or Graduation Requirements.

ARTICLE VIII

Standing Committees

The General Education Committee is a Standing Committee for the Council on Academic Affairs.

A. Membership

1. The 11 voting members of the Committee shall be as follows: a representative from each College (4), a representative from each of the Essential Learning Goal committees (Writing, Speaking, Critical Thinking, Citizenship, and Quantitative Reasoning, 5), and CAA representatives (2). The regular voting council members will serve three-year, overlapping terms. The Provost (or his/her
delegated representative) and EIU’s Illinois Articulation Initiative (IAI) General Education Panel representatives shall serve as ex-officio members of the committee.

See item I. 2 for additional members who serve 1 year terms to assist with the on-going review cycle but not other functions of the committee.

Eligibility for membership will be limited to tenured/tenure track faculty members in at least their third year of employment at the university.

2. The method of selection of the faculty members of the Committee shall be as follows:
   a. During the Spring term new appointments will be made as needed for the following academic year.
      (1). In February, the chair of CAA will consult with the chair of the General Education committee and notify the dean of the college and chair of the college curriculum committee of an opening on the General Education committee in the upcoming year. The department chairs and the college curriculum committee members will be asked to solicit volunteers who indicate their willingness to serve to the chair of CAA. If more than one eligible faculty member volunteers, then the college curriculum committee votes to determine who will serve as their college representative on the General Education Committee.
      (2). In February, the chair of CAA will consult with the chair of the General Education committee and notify the chair of the Essential Learning Committee of any openings in Learning Goal representation in the upcoming year. The Learning Goal (LG) representatives will be selected by their LG subcommittee (to serve a 3-year term after completing at least 1 year on the Learning Goal Committee). If more than one member of the LG subcommittee volunteers, the chair of the Essential Learning Committee will designate the representative.
      (3). CAA will select their representatives from members of CAA. If more than two members volunteer from CAA, then CAA will vote to select their representatives. The term for the CAA representative may be less than 3 years on the General Education committee if his/her term completes and he/she is no longer a CAA member.
      (4). The IAI segment representatives will retain their ex-officio position on the General Education Committee as long as they serve as the IAI representative.
   b. The candidates shall be presented for confirmation by CAA at their April meetings.
   c. Vacancies created in the middle of a term by resignation or inability to serve shall be filled according to the procedure in A2a within one month of the resignation.
   d. If a member of the Council is to be absent from the campus for one school term or more, his/her place shall be filled by an alternate for the length of his/her absence.

3. During the Spring term, a member of the General Education Committee will select a Chair for the GEC with at least one year experience on the committee. This selection shall be presented for confirmation by the CAA in April for the next academic year.

   This selection shall be presented for confirmation by the CAA at the same time as the slate of proposed new members of the General Education Committee.

B. The responsibilities of the Chair shall be as follows:
   1. To call meetings of the Committee (or in the Chair’s absence the meeting may be called by his/her designee) for the timely consideration of such matters as shall have been submitted to it
   2. To enact the Committee’s oversight (see below) of the General Education Program.

C. The Provost shall provide non-voting personnel to serve as secretary and to record, maintain, and distribute the minutes of the Council and to otherwise assist with the business of the Council.

D. The General Education Committee shall meet at the call of its Chairperson. A quorum of the Committee shall be six (6) voting members, including the Chairperson.
E. The General Education Committee bears the primary responsibility for maintaining and developing the General Education Program at Eastern Illinois University. Its responsibilities include the following:

1. To review proposals for additions, terminations, and modification of all general education courses and requirements.
2. To place any General Education course or requirements that the General Education Committee deems deficient in satisfying the goals established for the relevant General Education components on probationary status for one year. The course can be offered during the probationary year. If the department or unit is unable to make satisfactory amendments to the course, the General Education Committee, in consultation with the Provost, will recommend to CAA that the course be removed from the General Education Program.

F. All decisions of the General Education Committee are subject to review and approval by CAA and ultimately the President.

F. Procedures of the General Education Committee shall be as follows:

1. All proposals for the addition of general education courses shall be circulated to members one week prior to the meeting at which it is considered.
2. Representatives of the proposing Department(s), College or School(s) shall be invited to meet with the General Education Committee during the discussion portion of deliberations relating to their proposal and respond to proposed modifications.
3. Except in matters which can be settled by common consent, the General Education Committee shall record all its votes either by electronic ballot or by roll call ballot. The only votes that may be cast are yes, no, and abstain.
4. All actions taken by the Council require a majority vote. A majority vote means more than half of the votes cast based on attendance (excluding abstentions).

G. Requests to propose, modify, or delete general education courses shall be routed in the following sequence:

1. Originated by the individual faculty members or departments who desire to teach the course;
2. Approved by the Curriculum Committee(s) of the Department(s) or School involved;
3. Approved by the Curriculum Committee(s) of the College; and Honor's Council when applicable;
4. Rout ed to the Office of the Provost and directed to the General Education Committee; and reviewed and approved by the General Education Committee, as appropriate;
5. Reviewed and approved by the CAA; recommendation to President of EIU.

I. The General Education Committee shall have responsibility for the continuing review of the General Education program. Responsibilities include:

1. Conducting a continuous review of the General Education program beginning in 2020. The review shall be done annually in such a way that it is completed at the end of five years, when the review process shall begin again.
2. Reviewing, in a manner determined by CAA, the General Education program on an annual basis. For example, "Foundations" and Natural Science courses reviewed in the first year, Humanities and Fine Arts courses in the second year, Social and Behavioral Science courses in the third year, and Seminar courses in the fourth year. The fifth year in the cycle shall be devoted to reviewing the entire program from a holistic and comprehensive perspective.

Each year, the Committee may be augmented with additional members as needed to help with the review. These members shall be eligible to vote on Committee decisions related to the review and will serve one-year terms. They may succeed themselves, but would not typically hold more than three consecutive terms.

Additional members who are invited to serve 1-year terms for the segment review in years 1 through 4 of each review cycle include 1 member from Honor’s Council, 1 additional Critical
Thinking Learning Goal representative, 1 additional Learning Goal representative based on the learning goal associated with the segment (e.g. citizenship in the social and behavioral sciences), and 2-3 representatives from the segment. Segment reps are recruited/selected through the college(s) in a manner similar to the college representatives described in A2a. Honor's Council selects its representative. Additional Learning Goal representatives are selected in the manner described in A2a.

All members of CAA and the standing General Education committee will participate in the holistic/comprehensive review of the General Education Program in the 5th year of each review cycle. A representative from Faculty Senate, members of CASL, and representatives who served 1-year terms in the most recent 4-year review cycle would also be invited to participate.

3. Placing all courses that are not re-approved in the General Education Committee’s annual review on probationary status. Departments will have one year to address satisfactorily the Committee’s concerns; otherwise, such courses may be recommended to be removed from the lists of courses approved for General Education credit.

4. Preparing materials in support of any special reviews that CAA, CASL, or the Provost shall undertake.

The Essential Learning Committee is a Standing Committee for the Council on Academic Affairs.

A. Mission
The mission of the Essential Learning Committee (ELC) is to facilitate essential student learning proficiencies in domains related to the university’s undergraduate learning goals. The primary function of the Essential Learning Committee is to provide resources and support to faculty to increase intentional effective instructional practices of the university’s learning goals. Members of the ELC serve on the General Education Curriculum Committee, the Committee for the Assessment of Student Learning, and a Faculty Development subcommittee. As such, ELC members play an important role in assessment, curriculum and providing the tools for successful learning goals pedagogy.

B. Membership Structure and Recruitment
1. During the Spring term, a members of the ELC will select a Chair for the ELC with at least one year experience on the committee. This selection shall be presented for confirmation by the CAA in April for the next academic year.
2. The ELC has a subcommittee dedicated to each undergraduate university learning goal (Critical Thinking, Writing/Critical Reading, Speaking/Listening, Quantitative Reasoning, and Responsible Citizenship). Each subcommittee has a Learning Goal Leader who is designated as such by the subcommittee and confirmed by CAA.
3. The optimal size for each learning goal subcommittee of the ELC is approximately 5 to 8 members. Tenure-track or annually contracted faculty as well as staff or administrators with an interest in teaching and learning of the skills and dispositions embodied in the university learning goals are eligible to serve on the committee. Ideally, members of the faculty with specific areas of expertise (e.g. the director of composition, the director of the speech communications course, etc.) would choose to participate on the ELC and share that expertise with fellow faculty. The announcement of ELC subcommittees in need of more members can be relayed to the Faculty Senate nominations committee to solicit names of volunteers in February and the announcement could also be forwarded to college curriculum committees and chairs to share with their faculty. Efforts should be made to have representatives from different colleges serving on ELC subcommittees when possible.
4. The chair of the ELC is responsible to call meetings of the ELC. Learning goal leaders may call additional meetings of their subcommittees.
5. Each learning goal subcommittee selects a representative to serve on the General Education Committee, the Committee for the Assessment of Student Learning, and the Faculty Development Learning Goal Subcommittee. Representatives from the learning goal subcommittee who serve on CASL or the General Education Committee must be tenure/tenure-
track faculty members in at least their third year of employment at the university and who have served on the ELC for at least one year.

C. Procedures and Goals

1. The ELC chair is responsible for overall upkeep and organization of the learning goals website. The chair may ask for assistance of other members in this regard or enlist other university support. Learning goal leaders and members should make suggestions for resources to be added, deleted or updated pertaining to their learning goal.

2. The chair of the ELC will serve on the Faculty Development Advisory Board and is responsible for coordinating with the Director of Faculty Development about what information is available/presented to new faculty at new faculty orientation about the university learning goals.

3. The ELC chair is responsible for developing a yearly report to CAA summarizing the committee’s work.

4. The ELC will present workshops coordinated with Faculty Development with a tentative goal of 1 regular repeated workshop for new faculty, 1 new/focused workshop or Let’s Talk Teaching (some workshops might be coordinated with multiple goals or some might focus on a single goal).

5. ELC subcommittee members will consult with faculty/departments who are working to infuse successful instruction of the university learning goals into General Education or Major coursework.

6. ELC subcommittee members will support faculty in developing learning objectives, instructional techniques, practice activities, assignments, and assessment and feedback techniques for Learning Goal Intensive courses.

7. The ELC and, more specifically, the writing subcommittee, will partner with WAC on learning goal efforts related to writing.

8. ELC members will discuss effective instructional practices that can be used to facilitate success in more than one learning goal such as the use of digital tools, backwards design, problem-based learning, and meeting the needs of diverse learners.

9. The ELC will assist with faculty development, assessment, and curricular matters related to the university's undergraduate learning goals.

10. ELC subcommittee members will be aware of student resources and services for the learning goals.

11. The ELC subcommittees will utilize information gained from ELC members’ participation on CASL, the General Education Committee, and discussions with Faculty Development, so the ELC continually monitors the needs of faculty and students and provides appropriate resources and support to faculty for instruction.

WAC will continue to exist as an independent committee but will work with the writing & critical reading learning goal subcommittee
