CERTIFICATION FOR GRADUATION
FOR UNDERGRADUATE STUDENTS

The evaluation of the student's record made by the Certifying Dean shall take precedence over any information provided by the student's adviser.

Student files concerning certification for graduation shall be retained for a period of five years after graduation or the date of last attendance.

PARTICIPATION IN COMMENCEMENT CEREMONY

Names of students who have completed application for graduation and who have demonstrated a reasonable chance of completing graduation requirements will be placed on the college graduation list submitted by each certifying dean to the Records Office.

Names may be added to the college graduation list if information supporting the action is received in sufficient time to do so.

Students whose names appear on a given semester's official graduation list may participate in that semester's commencement ceremony or a subsequent ceremony of their choice.

Students who plan to complete their degree requirements in the Summer term will be allowed to participate in the Spring commencement immediately preceding their final term, provided they complete the application for graduation process in their certifying deans’ offices prior to the deadline for participation in commencement established by the Commencement Office. Inclusion in the Spring commencement list will be automatic.

Requests for other exceptions will be considered in the following circumstances: Students with six or fewer hours remaining for completion of their degree requirements in the Fall or Spring term may be granted permission to participate in the commencement ceremony preceding their final term. Those who opt to participate in the earlier commencement must complete a request form in their certifying deans' offices prior to the deadline for exceptionality for the semester during which the earlier ceremony will take place.

Regardless of participation in a commencement ceremony, no student will be certified for graduation and awarded a degree and diploma until the appropriate certifying dean has provided the Records Office with official verification of the completion of all degree requirements.

The meeting adjourned at 2:36 p.m.
