**Sent:** Tuesday, July 01, 2014 3:09 PM  
**To:** foiarequests@eiu.edu  
**Subject:** Student Directory Information Request

Good Afternoon,

My name is Zach Des Marais and I am writing to you to request to purchase a list of student email addresses for CampusTVs and CampusSIMs, which are college student service companies. Our purpose would be to send informational emails regarding our products and services to the students. Therefore, if we could obtain this information electronically or on a CD that would be ideal.

We would like to receive: student name (first and last), email address, local and permanent address, & class level. If possible we would like this information for the summer session for this summer, and all undergrad and graduate students for the fall of 2014 semester.

I am writing to see how much these email lists would costs and how we would go about obtaining them?

I look forward to hearing from you.

Thank you,  
Zach Des Marais  
Regional Corporate Director  
CampusTv's
