Dear Mr. Miller -

I am writing to request men's basketball records for 2014-2015 (i.e. next season) under the Illinois Freedom of Information Act.

Please provide a copy of all contracts and written agreements in force (i.e. signed or fully executed) between Eastern Illinois University (Athletic Department) and other Colleges and Universities (Athletic Departments) or Entities for non-conference men's basketball games and tournaments scheduled for the 2014-2015 season and 2015-16 (i.e. the following season).

I submitted a similar request in late March. This request is for contracts signed since that request. *Non-conference men's basketball games for 2014-15 now include – but are not limited to – recently contracted games against Ball State, Indiana State, Missouri State, Cleveland State, and Northern Illinois.*

Please email records to

Thank you in advance.

Yoni
