Hello Mr. Miller,

My name is Genevieve Strawderman and I work for CORT Furniture Rental. I reached out to you last year because we were and still are trying to help university students make moving easier by allowing them to lease furniture from us instead of purchasing and storing it from year to year. We were hoping to be able to contact all current, Eastern Illinois University students to let them know about our services.

I would like to submit this request to please receive the names, email addresses and physical addresses of all current students from your institution again.

For more information about our company and what it offers please visit our website at <https://www.cort.com/>.
