Mr. Miller,

I was advised by Barbara Burke to forward this email to you because you handle all FOIA requests.

Mr. Bolton:

Hope all is well. I am conducting a research report on the compensation of college coaches and I was hoping you could forward me a PDF version of Coach Mike Miller's contracts.

I am requesting:

The current contract of the men's head basketball coach, Mike Miller. If a contract is under negotiation, please forward me the current contract but let me know that a new contract is forthcoming.

Thank you in advance for your prompt assistance in responding to this freedom of information request.

Best,

Bradley Nelson
