Bio faculty/staff,

Congratulations to the following faculty members who were awarded Redden Grants for undergraduate education. BIO had 17 awards this year for a total of \$20,020. Redden Fund awards totaled \$154K across the university and BIO received 13% of these funds.

Chesnut, Ruth

Daniel, Steve

Jill Deppe

Douros, Derrick

Dust, Holly

Eden Effort

Liu, Zhiwei

Maia, Anabela

Menze, Michael

Mounce, Susan

Oluoch, Anthony

Sehweil-Elmuti, Nida

Switzer, Paul and Bollinger, Eric

Yager, Kristin

This is a great way to acquire teaching materials to enhance education efforts.

2015 NSF GRFP Panelist Orientation

November 7, 2014

Dear Dr. Anabela Resende da Maia:

Thank you for accepting the invitation to serve on the 2015 NSF Graduate Research Fellowship Program (GRFP) panels. This email is an overview of the review process, and what to expect in terms of communications in the coming weeks.

GRFP Orientation Session and WebEx Technology Testing

Panelists are required to attend one virtual Panelist Orientation Session via WebEx. Please choose the session that is most convenient for you. Each webinar is limited to 490 participants so please register as soon as possible. We recommend that you read the Panelist Guide before the Orientation session. You may access the Panelist Guide by logging into your account at panelists.nsfgrfp.org. The Guide will be available on the main page on November 12, 2014.

To prepare for the virtual panels in January, we want panelists to check their technology at a Technology Testing Session. The testing should take less than 5 minutes. Technology Testing Sessions will be open for 1 hour immediately following the Panelist Orientation Sessions, as listed below:

GRFP Orientation Session (Eastern Time) WebEx Technology Testing (Eastern Time)

Option 1	11/17/2014	10am -12pm	12pm - 1pm
Option 2	11/18/2014	2pm - 4pm	4pm - 5pm
Option 3	11/21/2014	11am - 1pm	1pm - 2pm
Option 4	11/24/2014	2pm - 4pm	4pm - 5pm

You will need a computer with internet access (Mac & Safari or Windows PC & Internet Explorer work best) and a telephone (landline touchtone phone is recommended). You will need to download the WebEx Event Manager with appropriate media player (Flash 6.0 or later, Windows Media Player 9.0 or later, or Quick Time 7.1 or later).

To Register for the Orientation Session (please register as soon as possible):

1. Go to: <https://nsfevents.webex.com> and select your preferred "GRFP 2015 Panelists Orientation Webinar" session.
2. Click "Register"
3. On the registration form, enter your information and then click "Submit".
4. After registering, use the onscreen links on the right to set up the Event Manager and confirm that you have appropriate media players installed on your computer in advance of the meeting.

Dear Colleagues:

On behalf of the entire **Eastern Reads Committee** I would like to thank you for acting as a facilitator for a discussion circle last Friday and for your continued participation in this important event! We hope that you found the experience rewarding. If you have any feedback, suggestions, or concerns you would like to share with the committee we would welcome them. You can reply to this email and I will share your comments with the committee. We have not yet selected the book for 2015 and would also welcome any suggestions you might have regarding that selection.

Have a great semester!

Cordially,

Eastern Reads Committee

Dawn M. VanGunten, Ph.D.

Greetings everyone, and Merry Christmas!

Sorry to be a bit tardy on this email, but I thought bringing a small "Christmas present" on the day of St. Nick would be appropriate. I'm emailing to let you all know that you will all be receiving a \$500 travel award from SICB to travel to the 2014 SICB meetings in Austin, TX.

First, please reply asap to let me know that you will be accepting this award.

Secondly, there are two important meetings that you must attend. If you have already made your travel arrangements, and might be late for the first one, let me know, its okay.

1) Attend the "Meet and Greet" meeting on January 3rd (first day) from 6-7:30 PM in room 614. This is just prior to the Plenary session (so you won't miss it), and it will provide you with some information about the meeting, about the BP committee, and the workshops (2) that will be sponsored by BP over the course of the meeting. Please make sure to organize your travel plans so that you can attend this meeting.

2) Attend the BP social on January 6th from 8-10 PM at Carmleo's restaurant across the street from the Hilton. We have pretty much dinner tapas ordered, and a cash bar, so it should be fantastic. This is also where you will receive your check for \$500 from yours truly.

We had a number of great applications this year, and I would like to thank you all for applying and putting in some exciting ideas for workshops. As you might of guessed, these will be our pool of ideas that we'll choose from for the 2015 SICB meeting's BP workshops.
