Dear Dr. Resende da Maia,

Thank you for responding to our request for information about other sources of funding. With pleasure we inform you that the committee is awarding you a Franklin Research Grant in the amount of \$6,000.

Please sign the enclosed agreement form and return only the top copy to Linda Musumeci; the photocopy is for your records. Payment occurs after we receive your signed agreement, approximately one month before your project begins. You may wish to discuss with your tax advisor the fact that you received this award.

When you write an article or a book based on your research, please consider submitting it to our Committee on Publications. Although we cannot guarantee publication, we encourage you to visit the Society's website, www.amphilsoc.org, for manuscript guidelines and submission procedures.

We congratulate you on receiving the grant, and wish you much success with your research. We look forward to receiving your report, as per the agreement.
