TO BE POWERS MODEL**

June 19 1912

Washington, June 17.—Miss Carolee Arnold of Newton, a daughter of Representative and Mrs. Laurence F. Arnold, has been selected to become one of the famous Powers models of New York City, her father revealed today.

A beautiful blonde of 17, Miss Arnold has just graduated from National Park college here after having previously attended Arlington Hall school in nearby Virginia. She will leave Washington early next month to join the Powers organization.

The Arnolds make their home at the Wardman Park hotel when in Washington. Congressman Arnold is a member of the house foreign affairs committee.
