

**HOWARD "DUKE" RESCH  
WRITES FROM SAN FRANCISCO**

*June 5, 1942*  
A postal card received by Paul J. Reep of Newton from Howard "Duke" Resch, who is on the U. S. S. Ramsey in the Pacific, says: "They're keeping us busy is the exact word. Blazing a few trails in the Pacific, striking a few blows for somebody. Not much that can be said, but plenty to tell when it's all over. Saw Stanley Robards the other day. Give my aloha to your folks."
