

Twenty-Seven Leave This Morning for Induction Into Army

25/1/42

Twenty-seven young men left Newton early this morning for Chicago, going by bus to Mattoon, where a train was taken for Chicago. They were expected to arrive at the induction station about 9:00 o'clock this morning for examination, after which they will be sworn in and either sent to training centers or given furloughs.

In the group are twenty-six men from Jasper county and a young oil worker, registered at Centralia, who is going with the Jasper county contingent. Those who went were:
