## Men Home on Fourteen Day Furloughs, Left Wednesday Morning for Camp Grant to Report

Two groups of men left for the United States Army this week. Early Tuesday morning, twenty-eight men went to the Chicago Induction station, by way of bus to Mattoon, and thence by train. Wednesday morning, the group who were inducted into the Army at Chicago on September 30 left by bus for Decatur. From there they went by railroad to Rockford, via Chicago.

After being outfitted at Camp Grant and given other routine checks, they will be sent to other training centers for their basic training.

Under a new ruling of the Selective Service Board, the names of the men being inducted into the United States Army won't be available for publication until after they have left Newton. This was adopted because of the many changes and last minute deferments as a result of men volunteering for special branches of the service. For this reason, the Press is not carrying the names of the men to go to Chicago for induction next Tuesday.

Those who were inducted into the Army at Chicago, Tuesday, were:

Delbert Roscoe Eveland, Benjamin Fuller Franke, Gilbert Oren Harris, John Park Hauk, Lloyd Edmon Jourdan, Laverl Leon Kennedy, Joseph Louis Schackmann, Glenn Bernard Smithenry, Raymond Albert Swisher, and Melvin Glenn Utley, Newton;

## **New Call for Wednesday**

The Jasper County Selective Service Board has received a call for thirty-nine men to leave here on Wednesday morning, October 28, for the Chicago Induction station. This is the third call during October and will take all men previously classified in 4-F. The Board will then begin calling other men in class 1-A.

John T. Madison, Illinois Central agent at Newton for a number of years, has been named a member of the Board to succeed Omer M. Tobias, who succeeded E. R. Warren, when the latter resigned to move to Chicago, where he is employed in a war plant. Mr. Madison is a veteran of the first World war, as are the other members of the board, E. R. Reese, chairman, John F. Kaufmann, clerk, Lon Cleaver and William G. Emmerich.

Mrs. Helen Smallwood Allen, personnel clerk of the Selective Service Board for several months, has resigned and will go to Fort Riley, Kansas, to join her husband, Glenn Allen, who is in the United States Army.
