

Local Boy Returns From Trip to New Calendonia

Oct. 29, 1942

Clifford Warfel, who is serving with the United States Navy, has written his parents, stating that he has landed safely in California after a thrilling trip to new Caledonia.

He said that on his trip he talked to several of the sailors and Marines who are on duty in the Solomon Islands.

He had hoped to obtain a furlough on reaching the states but advised his parents that a visit to them at this time was out of the question.
