

**RED FOLEY AND EVA TO
BE AT OBLONG FAIR** *aug. 27*

1943
Red Foley and Eva will be at the Oblong Fair next week with the WLS Barn Dance show. They will substitute for Lulu Belle and Scotty, who were withdrawn this week, when the latter underwent an emergency operation.

Everything was in readiness this week for the opening of the fair Monday. Exhibit classes were full and an excellent program of entertainment has been arranged.

Throughout the week the Rogers Greater Shows will furnish entertainment on the midway and special entertainment, including features from the popular WLS Radio Show, is provided for afternoon and evening programs this year. There will be the usual exhibits of livestock, farm produce, culinary and needlework. Officials of the fair state exhibits this year are of unusual quality.

Reports from other county fairs this season have reported unusually large attendance and if the weather is suitable it appears certain this year's fair at Oblong will top all previous successes.
