Banquet

Gymnasium Transformed Into Theme of "Holiday Inn" for the Occasion; Dance Followed

The annual junior-senior banquet, one of the highlights of the school year, was held last night at the Newton Community high school. For the occasion, the gymnasium was transformed into the atmosphere of the "Holiday Inn," the theme being suggested by the motion picture of the same name.

Juniors, under the direction of Omer M. Tobias, had worked for some time getting everything ready and had lined the walls with huge sheets of paper on which had been painted the music of the song, "Brazil." A low white fence enclosed the floor and the platform for the orchestra, Johnny Estell's from Mattoon. They played during the dinner and later for a dance.

Overhead, streamers of colored crepe paper, hung with musical notes in heavy paper, gave a gala atmosphere to the place. The dinner of tomato juice cocktail, chicken a la king, browned new potatoes, green beans and corn, holiday salad, hot rolls, butter, cake and iced tea was served by the girls of the home economics classes under the direction of Mrs. Eugenia Hunt.

Program

The program included an introduction by Ross Grove, toastmaster, welcome by Phyllis Flanagan, president of the junior class, response, George Bevis, president of the senior class, remarks, Lon Cleaver, president of the board of education, number by an accordion quartet, Wanda Lee Kibler, Alice Bierman, Irmalyn Bridges and Mildred Meinhart, toasts to the faculty and school, reading of the class will, remarks by M. B. Platz, principal, and a vocal duet by Aileen Tate and Juanita Foster. During the interim, the orchestra played numbers from "Holiday Inn."

Three members of this year's senior class are already in the armed services and a number of other boys are expected to be called immediately after school is out. Members of the junior and senior classes:
