## Diplomas

### Graduating Class of Newton Community High School Hears Captain Abrams Thursday Night

A capacity audience was in attendance at the Newton Community high school gymnasium, Thursday evening, for the commencement exercises of the Newton Community high school. Seventy-six diplomas were awarded to the graduating class, marking the completion of four years of work.

There was more or less of a military overtone, for three members of the class are already in the armed services and several others will report for duty in the next two or three weeks and others in the near future, while the address was delivered by Captain Morris Abrams, intelligence officer at George field, Lawrenceville.

The program was as follows: Processional, Joyce Wagy. Invocation, Rev. A. W. Hendrix. Vocal solo, Rev. Robert E. Phillips. Address, Captain Abrams. Music, Girls' Glee Club. Presentation of class, Principal M. B. Platz. Presentation of diplomas, Lon Cleaver, president of the Board of Education. Calling of class roll, D. L. Young. Benediction, Rev Daniel Daly.
