Private First Class John Bush of South Muddy township writes his wife from England. He said he had a very nice trip over and is now learning the values of English money.

"I received a letter from you today and it sure was swell to hear that everything is o. k. at home. There have been only a few letters that come here but we are expecting more soon.

"Some fellows are leaving on a pass for London today. We may all get a chance to go there. The people here are sure different than Americans. Most everything is just in the reverse of what you would expect in the U. S. A. You can only send a package over here by the request of the soldier. Please send me some cigarettes and tobacco. We can't get any American cigarettes right at the present time. You can only send a five pound package at one time.

Friends may write in care of Mrs. John Bush, Ingraham, Illinois.

An Air Transport Command Base in Great Britain.—Sergeant Marion L. Hall, whose wife lives on Route Two, Newton, is now serving in the European Theater of Operations. He is a member of the European division of the Air Transport Command, United States Army Air Forces, commanded by Brigadier General Earl S. Hoag.

As the trans-Atlantic aerial supply line between the United States and Europe, the ATC's European division operates hundreds of cargo and passenger planes monthly, carrying important passengers, vital war cargo, the all-improtant soldiers' mail, and returning wounded American soldiers to the United States.

Sergeant Hall entered the service September 30, 1942, and received his basic training at Shepperd field, Texas. Before entering the service he was employed by the Inland Steel Company at Chicago. He is a son of Ralph E. Hall of near West Liberty.

Fort Myers, Florida, December 27.
—Sergeant Warren E. Hunt, son of Mr. and Mrs. E. R. Hunt of Rose Hill, was graduated last week from the AAF Training Command's Flexible Gunnery school at Buckingham field near Fort Myers, Florida.

Now qualified as an aerial gunner, he will soon become a member of the Army Air Forces' bomber crews. He will receive his crew training at an operational training field in the United States, and then go overseas. Hundreds of gunners are graduated each week from the huge gunnery school near Fort Myers where the shooting ranges from skeet with a shotgun to firing from a power operated turret in the huge bombers over the Gulf of Mexico.

He was formerly a student of Eastern Illinois State Teachers college, and employe of an aircraft plant in Grand Rapids, Michigna.

Gene Leo Reisner of Jewett vicinity enlisted Tuesday in the Navy's popular aircrewmen program, and thereby took the first step toward becoming a member of America's famed flying force—naval aviation.

Reisner who is 21 years old, graduated from high school where he was active in the Future Farmers of America. He has a brother who is a first lieutenant in the Army.

Young men 17 through 26 years are eligible to apply for the aircrewmen program; on application they are given aptitude and physical tests and on successful completion are enlisted immediately. Details may be obtained from high school principals or at the Naval Aviation Selection Board, Chicago.
