This picture shows Corporal Donald Alexander, son of Mr. and Mrs. C. R. Alexander of near Hunt City, and three of his buddies in an Ordnance Depot company in France. Corporal Alexander, left, is wearing a captured German flyer's helmet which he recently sent to his parents, and which was on exhibition at the Press

for a week recently. The others from left to right are Donald Nystrom, Slazyk and Smith.

The picture was sent Mr. and Mrs. Alexander by Mrs. Nystrom of Chicago, who had received the negative from her husband. It was taken in October and shows the van and the shelter they occupy in their duties.
