WOULD LIKE TO RECEIVE LETTERS
FROM JASPER COUNTY FRIENDS

"I look forward to getting the Mentor each week," he writes "and will be very glad when conditions are again normal so I can get it at home each week."

"I am not overseas yet," he says, "but expect to be in the near future I will appreciate getting letters from anyone wishing to write me. I may not be very prompt in answering, but they will know I was pleased to hear from them."
