GIVEN DISCHARGE BY ARMY BE-  
CAUSE OF PHYSICAL CONDITION

---

County Treasurer Elmer D. Dalton has returned from Beaumont General hospital in Texas where he has been with the Army Air Force. Mr. Dalton had been in the hospital much of the time since being inducted into the service nine months ago and has been given an honorable discharge from the service because of his physical condition before going to Texas he served at Truax Field, Wisconsin.

During the time he was in service the treasurer's office was very capably handled by Mrs. Dalton who was designated as acting treasurer by the board of supervisors to serve during the time her husband was in service.

Mr. Dalton's arrival home was in time to help get ready for the annual collection of taxes which is expected to start within the next few weeks.
