

*Private First Class*  
*Wilford French Was*  
*Seriously Injured May 3*

*May 25,*  
*1945*

Mrs. Wilford French was notified by the War Department, Tuesday morning, that her husband, Private First Class French, was seriously injured in Germany, May 3. No details were given.

She had previously received two letters from Private French, in one of which he said he was in the hospital and in the other he stated that he was sending her his Purple Heart medal, but didn't state what the nature of his injuries were.
