

White 1 says to black 1: What do you think you are doing here? You cannot drink at this drinking fountain, it is for whites only.

Black 1 says to white 1: I have the same rights as you do and I can drink from this water fountain too.

White 2 says to black 2: No you can't! It says "Whites only"

Black 2 says to white 2: I don't see why not. We used to have the same rights and were able to do the same things.

White 3 says to black 3: Didn't you hear? We have to have separate public places, like drinking fountains and bathrooms because you guys should not have the same right as we do because we are white and you are black

Black 3 says to white 3: That stinks. I cannot believe that we have to have separate bathrooms and drinking fountains. That just is not right. We might be black and you might be white, but we are all people and we should all have the same rights.
